

Occupational Safety Specialist – Construction Site Safety (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

To strengthen our team, we are looking for a **Safety Specialist – Focus on Construction Site Safety (m/f/x)**, who will be responsible for identifying, implementing, and monitoring customer requirements in the areas of occupational safety, health, and environmental protection on complex construction site projects.

By "construction sites," we mean all locations where our mobile space solutions are delivered — including facilities for daycare centers, schools, industrial companies, public authorities, and more.

You're a unique individual with your own combination of qualifications, talents, and aspirations. And we're not a company like any other. We offer exciting tasks, opportunities for growth, and a relaxed "*Moin*" culture.

Interested? Then we'd love to get to know you better.

Your Future Role

- + Identification of customer requirements regarding occupational safety, health, and environmental protection on construction sites
- + Collaboration with our clients' Safety and Health Coordinators (SiGeKo)
- + Occupational safety and site supervision on construction sites and large-scale projects
- + Execution of subcontractor audits and both regular and event-related site inspections
- + Preparation of project- and contract-specific risk assessments
- + Monitoring and implementation of new regulations and legal requirements
- + Selection, supervision, and monitoring of subcontractors on construction sites with regard to their qualifications and compliance with customer requirements
- + Identification and coordination of occupational safety regulations on construction sites
- + Coordination of employee assignments abroad

What You Bring to the Team

- + Successfully completed vocational training or a degree in a technical or scientific field, combined with the required additional qualification as a Health and Safety Specialist or Safety and Health Coordinator (SiGeKo)
- + Ideally, experience in assembly and construction site operations
- + Strong communication skills and a structured, detail-oriented working style
- + Commitment, team spirit, and flexibility
- + Proficiency in written and spoken English
- + Willingness to travel

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**
- + You have the option to **work up to 60% of your week from home**
- + We offer you **flexible working hours** and the opportunity to work flextime
- + We provide you with a **company health insurance** plan
- + We offer you **fresh fruit and beverages** every day
- + With us, you can expect **flat hierarchies** and short decision-making processes
- + Our **company fitness program**: for just €25 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + We'd like for you to continue developing, which is why we support your **personal development** with a tailored range of options
- + The **ELA Corporate Benefits** portal offers attractive discounts on more than 1,500 brands from all relevant areas of life
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
