Structural engineer (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We continue to grow! We are therefore looking for a **Structural engineer** (m/f/d) for our site at Eurohafen in Haren/Hüntel (Hünteler Str. 30). Here, the required container frames are produced automatically with the help of robot technology and the industrial series production of our mobile space solutions in container construction is driven forward.

You're a person with your individual profile, qualifications, talents and wishes. But we are not like any other company. We offer exciting jobs, opportunities for your further development and an easy going working atmosphere. Interested? Then we should get to know each other better.

Your Future Role

- + Preparation of structural analyses, technical documentation and support in the development of new products
- + Consideration of standardised norms and regulations in national and international steel construction
- + Preparation of verifiable structural calculations for steel structures right from the development phase
- + Development of economic solutions for complex issues in steel and container construction
- + Coordination of building regulations with internal and external interfaces as well as with structural engineers
- + Collaboration in the further development of the product portfolio

What You Bring to the Team

- + Successfully completed technical studies in the field of civil engineering or a comparable technical qualification
- + Professional experience in the field of steel construction and structural analysis is an advantage
- + Knowledge of building physics and building materials desirable
- + Solution-orientated, independent and reliable way of working
- + Good written and spoken English skills desirable

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**.
- + We organize an extensive **onboarding program** for you at our headquarters in Haren (Ems), so that you can get to know the entire company, our products, and our employees
- + You have the option to **work up to 60% of your week from home**
- + We offer you **flexible working hours** and the opportunity to work flextime
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + We offer you **fresh fruit and beverages** every day
- + ELA offers you a **diverse range of activities** at a global company, informal interaction with one another, and a whole host of opportunities to incorporate your own ideas.
- + We want you to be optimistic about the future, which is why we support you with our **company retirement plans** and capital-forming benefits for your financial security.
- + Our **company fitness program**: for just €25 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + We'd like for you to continue developing, which is why we support your **personal development** with a tailored range of options.
- + The **ELA Corporate Benefits** portal offers attractive discounts on more than 1,500 brands from all relevant areas of life
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
