

Apprenticeship as a forwarding and logistics services clerk 2027 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you enjoy organizing, keeping track of things, and are you interested in international transportation and logistics processes? Then start your apprenticeship as a freight forwarding and logistics services specialist at ELA.

Here at ELA, you'll work alongside our logistics team to ensure that our mobile space solutions reliably reach their destinations—both domestically and internationally. Along the way, you'll gradually take on more responsibility and learn how modern logistics works in a globally active company.

Does this sound like you? Then we look forward to getting to know you!

Your apprenticeship at ELA

Our logistics team consists of about 35 colleagues.

During your three-year apprenticeship, you'll gain experience in various areas of our logistics operations—including:

Scheduling, truck dispatch, fleet management, sales, and warehouse logistics

What You'll Learn with Us

During your apprenticeship, you'll learn step by step how modern transportation and logistics processes are planned and managed. Among other things, you can expect to:

- + Plan and coordinate shipments
- + Organize routes and delivery dates
- + Prepare freight and shipping documents
- + Support customers and freight forwarders
- + Calculate quotes and prepare orders
- + Gain familiarity with international logistics processes
- + Develop solutions in collaboration with various departments

What You Bring to the Team

- + Secondary school leaving certificate or university entrance qualification
- + Good performance in mathematics, German and English
- + Economic thinking and careful work
- + Good communication and organisational skills
- + Good verbal and written communication skills
- + Very good knowledge of German and good written and spoken English

Deine Benefits bei ELA

- + **Uncomplicated interaction** with each other and a wide range of opportunities to contribute your own ideas.
- + Your **chances of being hired are very good** once you've completed your training.
- + Our **more than 40 employed trainees** and integrated degree students will simplify the start to your career life and are always available to answer any questions you may have.
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + In addition to your work, you also have the opportunity to experience **exciting trainee events** and projects.
- + Our **company fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + The **ELA Corporate Benefits** portal gives you attractive discount offers from over 1,500 brands from all relevant areas of life.
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office.
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows.
- +

How You can apply

Information on the application process

- + If you apply for an apprenticeship or dual study programme with us, you will receive feedback from us by email in the month of your application, at the latest within four weeks. This will inform you whether we will invite you to an initial personal meeting.
- + This meeting usually takes the form of a one-to-one interview at our head office in Haren (Ems). You will also receive more detailed information about training at ELA.

It's so easy to apply

The best way to apply is to send your documents directly via our career portal at <https://career.ela-container.com/> or by email to career@ela-container.com. Please include your CV and the most important certificates and qualifications. We are also interested in what makes you special, why we are a good fit and how you became aware of us. A personal interview is the best way for us to get to know each other.

We look forward to hearing from you!
