

Project Support (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you like to keep track of things, even when projects are large and complex? Are organization, structure, and communication right up your alley? Then ELA Container is the right place for you. In this role, you will ensure that our large-scale projects—from school buildings to modular office complexes—run smoothly in terms of administration and organization. You will proactively support project management, keep documentation and deadlines under control, and ensure that all parties involved are well connected.

You are a person with your own unique mix of organizational talent, sense of responsibility, and strong communication skills. And we are not a company like any other: at ELA, you can expect exciting projects, short communication channels, genuine teamwork, and an open, German "Moin" culture. Sound like a good match? Then let's talk!

Your Future Role

- + Support in the planning and management of modular construction projects, from order placement to handover
- + Monitoring delivery dates for container modules and coordinating assembly teams and subcontractors (e.g., for foundations or interior work)
- + Creation and maintenance of project files, construction logs, acceptance reports, and defect lists
- + Central contact person for internal departments and external partners for administrative queries
- + Preparation of partial and final invoices and checking of incoming invoices from subcontractors

What You Bring to the Team

- + Completed commercial training (e.g., industrial clerk m/f/x) or technical training with further commercial education
- + Initial professional experience in project management, ideally in construction, skilled trades, or rental
- + EConfident use of MS Office (Word, Excel, PowerPoint, Outlook) and ideally experience with ERP systems
- + Organizational skills, structured approach to work, strong communication skills, and ability to work under pressure even during intensive project phases
- + Very good German, English skills an advantage
