

Apprenticeship as an IT specialist for system integration 2027 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you interested in IT, do you enjoy solving technical challenges, and do you want to understand how modern enterprise IT works? Then start your apprenticeship as an IT Specialist for System Integration at ELA. With us, you'll be part of our IT team right from the start and learn, step by step, how modern IT systems are planned, set up, and maintained. Together, we ensure that our colleagues around the world can work reliably.

Does this sound like you? Then we look forward to getting to know you!

Your apprenticeship at ELA

Our IT team consists of about 50 colleagues who work together on exciting IT projects.

During your three-year apprenticeship, you'll gain experience in various areas of our IT department, including:

IT help desk, IT infrastructure, IT service operations, and IT security

During your apprenticeship, you'll learn step by step how modern corporate IT works. Among other things, you can expect to:

- Set up and maintain computers, laptops, and other IT systems
- Learn about networks and modern IT infrastructures
- Work with Microsoft 365 and other business applications
- Analyze technical problems and work together to find solutions
- Support colleagues with IT questions
- Learn about IT security in day-to-day business operations
