

Apprenticeship as a Digital and Print Media Designer, specialising in Design and Technology 2027 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you creative, do you enjoy design, and would you like to learn how ideas are turned into professional print and digital media? Then start your apprenticeship as a Digital and Print Media Designer at ELA. With us, you'll work on real projects right from the start, contribute your own ideas, and learn step by step everything you need for your career.

Does this sound like you? Then we look forward to getting to know you!

Your apprenticeship at ELA

During your three-year apprenticeship, you'll gain experience in various areas of marketing—such as graphic design, online marketing, and sales.

As a Digital and Print Media Designer, you'll design media products and oversee them from the initial idea to the final result.

You'll work with programs such as Adobe Photoshop, Illustrator, and InDesign, among others.

Here are some of the tasks you can expect to take on with us:

Designing print and online media (flyers, ads, newsletters, etc.)

Image editing and final artwork

Maintaining and further developing our website

Collaborating with external service providers (e.g., printing companies)

Contributing to exciting marketing projects

Developing and implementing your own creative ideas

The academic portion of your apprenticeship takes place at the vocational school in Emden.

What You Bring to the Team

- + A strong secondary school diploma or a (specialized) high school diploma.
- + Ideally, you'll have some prior experience in design—for example, from attending a technical high school specializing in design. But even if that's not the case, we look forward to receiving your application.
- + Some experience with Adobe Creative Suite or Microsoft Office programs is a plus, but not required
- + Creativity, team spirit, and a desire to learn new things
- + Good German and English language skills.

What you can expect from us

- + **Uncomplicated interaction** with each other and a wide range of opportunities to contribute your own ideas.
- + Your **chances of being hired are very good** once you've completed your training.
- + Our **more than 40 employed trainees** and integrated degree students will simplify the start to your career life and are always available to answer any questions you may have.
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + In addition to your work, you also have the opportunity to experience **exciting trainee events** and projects.
- + Our **company fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + The **ELA Corporate Benefits** portal gives you attractive discount offers from over 1,500 brands from all relevant areas of life.
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office.
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows.

How You can apply

Apply easily through our applicant portal. Simply upload your resume and your two most recent school transcripts there. If you'd like, you can also show us your own designs, school projects, or creative work—we look forward to seeing them! Of course, this is optional and not a requirement.

It's important to us that you don't have to wait long for a response. That's why you'll usually receive a personal reply from us within a week. You can find more information about the application process on our careers page.

We look forward to hearing from you!
