Webdesinger - UX/UI (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Our team is expanding and we are looking for you! As a **Web Designer - UX/UI (m/f/x)** you have the chance to revolutionize the user experience on the Corporate ELA Container websites. Your expertise in functionality, accessibility and responsive design will be instrumental in creating an optimal and impressive user experience. You are a person with your own personal profile of qualifications, talents and desires. And we are not like any other company. We offer exciting tasks, opportunities for further development and a relaxed, fun culture. Interested? Then we should get to know each other better.

Your Future Role

- + Conceptualization and design of grids and layouts
- + Country-specific development and design of sophisticated UX/UI concepts and designs, considering the corporate identity for the national and international web presence
- + Close cooperation with our specialists in UX design, online marketing, e-commerce, web development and graphics
- + Setting up A/B tests and multivariate tests on our website and in the future also in the web store
- + Development and design of click dummies and prototypes for the new and further development of UX/UI, customer journey and conversion rate
- + Constant development and updates of the web CI manual

What You Bring to the Team

- + Completed training in the field of digital & print media design, IT specialist for application development, studies in interaction design, communication design or

comparable qualification

- + Several years of experience as a web designer UX/UI
- + Frontend development skills, in particular HTML, CSS, TailwindCSS, React, GIT and SASS/LESS/SCSS
- + Extensive knowledge of current e-commerce and design trends
- + A flair and passion for aesthetics, design and user behavior
- + Having fun at working in an interdisciplinary team
- + Experience in the area of accessibility according to WCAG 2.2 is an advantage
- + Confident knowledge in German and English both spoken and written

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**
- + We organize an extensive **onboarding program** for you at our headquarters in Haren (Ems), so that you can get to know the entire company, our products, and our employees
- + We offer you **flexible working hours** and the opportunity to work flextime
- + You have the option to **work up to 60% of your week from home**
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + With us, you can expect **flat hierarchies** and short decision-making processes
- + We'd like for you to continue developing, which is why we support your **personal development** with a tailored range of options.
- + We want you to be optimistic about the future, which is why we support you with our **company retirement plans** and capital-forming benefits for your financial security
- + **Our company fitness program:** for just €25 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + The ELA **Corporate Benefits** portal offers attractive discounts on more than 1,500 brands from all relevant areas of life
- + We can help you with **emergency childcare**
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
