

Product Manager (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you spot potential before others do? Then play an active role in shaping our product portfolio and developing solutions tailored precisely to our customers' needs. From analysis to implementation, it's all in your hands.

Sound exciting? Then ELA Container is the perfect place for you! Here you'll find challenging tasks, real opportunities for growth, and a strong team with a relaxed, friendly atmosphere.

Your Future Role

- + Developing and optimizing our product portfolio for temporary and permanent space solutions with containers and modular construction solutions
- + Collaborating with internal teams (e.g., development, sales, product manufacturing) to design new products and adapt existing solutions to customer needs
- + Creating product specifications and maintaining product master data
- + Monitoring product performance and deriving improvement measures
