

Production Coordinator - ELA Container Offshore GmbH (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you a hands-on person who enjoys coordinating and can keep a clear overview even when things get hectic on the production floor? In this role, you'll combine organisational skills with technical know-how and a clear, structured approach to your work. This will ensure that processes, materials and the team work together seamlessly.

We are currently looking for a CAD Designer (m/f/x) for ELA Container Offshore GmbH – a company within the ELA Group. You can find further information about the company via the following link: <https://www.ela-offshore.com/de>.

Your Future Role

- + Planning and organising a smooth production process in coordination with the other production areas
- + Monitoring the effectiveness of the production processes and availability of the auxiliary materials used
- + Supporting the station manager in recording and documenting additional work
- + Continuous coordination with the other stations within production
- + Supporting personnel planning and carrying out employee training
