

Software Tester (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We are currently looking for a software tester (m/f/x) to join our software development team. As a **software tester (m/f/x)**, you will actively contribute to the assurance and further development of our software quality. You will design and execute test cases, document and analyze test results and work closely with our project teams on the specification of requirements and acceptance criteria.

You are a person with your own personal profile of qualifications, talents and desires. And we are not like any other company. We offer exciting tasks, opportunities for further development and a relaxed, friendly culture. Interested? Then we should get to know each other better.

Your Future Role

- + Design and execution of test cases, as well as the documentation and analysis of test results
- + Creation of test validation plans as well as the specification of requirements and acceptance criteria in cooperation with the respective project teams
- + Development of suitable test infrastructure in quality assurance
- + Responsibility for the organization of defect management and re-testing workflows

What You Bring to the Team

- + Successfully completed computer science degree or comparable professional training in the field of software development
- + Empathy and communication skills, as you will be working on test cases with different departments

- + Experience in the execution of manual and automated tests
- + Knowledge of frameworks for automated testing such as Cypress
- + Knowledge of a programming language such as JavaScript and the use of a version control system such as Git is desirable
- + Basic understanding of IT infrastructure
- + Very good written and spoken German and English skills

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**.
- + We offer you **individual development opportunities**, interesting skills training and participation in our management training program
- + We offer you **flexible working hours** and the opportunity to work flextime
- + You have the option to work **up to 60% of your week from home**
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + We organize an **extensive onboarding program** for you at our headquarters in Haren (Ems), so that you can get to know the entire company, our products, and our employees
- + Expand your network at our regular **employee events**
- + We want you to be optimistic about the future, which is why we support you with our company **retirement plans and capital-forming benefits** for your financial security.

- + Our company **fitness program**: for just €25 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + **Corporate benefits**: attractive online shopping offers and discount codes from over 1,500 providers from all relevant areas of life
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows.
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
