

SAP Inhouse Product Owner (mf/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you want to not only operate SAP, but also help shape it?

Then you've come to the right place. As an **SAP Inhouse Product Owner (m/f/x)**, you will play a key role in the introduction and further development of our new SAP S/4HANA system landscape. Working closely with our specialist departments, you will implement requirements in a structured, strategic manner with an eye for the big picture.

Sound exciting? Then ELA Container is the perfect place for you! Here you'll find challenging work, real opportunities for growth, and a strong team with a relaxed, friendly atmosphere.

Your Future Role

- + Responsibility for the further development and operation of SAP S/4HANA in our group of companies
- + Development and maintenance of the product backlog in close coordination with specialist departments, IT and external partners
- + Coordination and prioritisation of requirements from the companies and specialist departments
- + Support for further rollouts in subsidiaries in the role of project manager with responsibility for costs, quality and time
- + Responsibility for project organisation, project plans, milestones and risks
- + Management of internal and external project resources
Reporting to management and stakeholders
- + Planning, management and implementation of system enhancements and feature implementations
- + Monitoring of trends, technologies and best practices in the SAP environment
