

Integration Architect (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We continue to grow! Therefore, we are currently looking for an **Integration Architect** (m/f/x) for our head office in Haren (Ems) to further develop & expand our IT department. Do you love harmonizing complex system landscapes and developing innovative integration solutions? Then you've come to the right place! As an Integration Architect (m/f/x), you are the key to connecting our different systems and technologies into a high-performance network. Sounds interesting? Then we should get to know each other better.

Your Future Role

[Apply Online](#)

- ⊕ Design, development and operation of integration solutions based on the **SAP Integration Suite**
- ⊕ Analysis and optimisation of existing interfaces and data flows between SAP and non-SAP systems
- ⊕ Ensuring the performance, scalability and security of the integration architecture
Collaboration on the further development of our company-wide integration strategy
- ⊕ Close cooperation with specialist departments, developers and external partners to implement integration projects
- ⊕ Documentation and knowledge transfer within the team

[Video Application](#)

Your skills

- ⊕ Successfully completed degree in (business) information technology, training as an IT specialist for application development, data and process analysis, or a similar qualification
- ⊕ Interest in learning new technologies and finding solutions to complex problems
