

Senior Integration Manager (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We continue to grow! Therefore, we are currently looking for a Senior Integration Manager (m/f/x) for our head office in Haren (Ems) to further develop & expand our IT department. Do you love harmonizing complex system landscapes and developing innovative integration solutions? Then you've come to the right place! As a Senior Integration Manager (m/f/x), you are the key to connecting our different systems and technologies into a high-performance network. Sounds interesting? Then we should get to know each other better.

Your Future Role

- + Conception and development of integration architectures for the harmonization of heterogeneous system landscapes
- + Product owner for our Business Technology Platform
- + Development, implementation and maintenance of interfaces between various business applications, e.g. ERP, CRM and database solutions
- + Creating test plans and carrying out tests to ensure the functionality and stability of the interfaces
- + Monitoring and optimization of existing interfaces and integration solutions
- + Development of operational concepts for business-critical integration solutions to ensure operational processes
- + Working closely with specialist departments such as marketing or sales, developers, architects and IT project managers to coordinate requirements, tasks and priorities
