

Apprenticeship as IT Specialist for Data and Process Analysis 2027 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you interested in IT, do you enjoy working in a structured way, and would you like to find out how companies can become even more efficient through data and digital processes? Then start your apprenticeship as an IT Specialist for Data and Process Analysis at ELA.

Here, you'll become part of our IT team and learn, step by step, how to evaluate data, analyze processes, and develop digital solutions. Together, we'll ensure that our business processes become even smarter and more efficient.

Does this sound like you? Then we look forward to getting to know you!

Your apprenticeship at ELA

Your Apprenticeship at ELA

Our IT team consists of about 50 colleagues who work together on exciting IT projects. During your three-year apprenticeship, you'll get to know various areas of our IT department—including:

IT Help Desk, IT Data & Integration Management, and Enterprise Architecture Management. You'll work closely with the teams from Controlling and Process Management and learn how data helps improve business processes.

What you'll learn with us:

During your apprenticeship, you'll gradually develop an understanding of how data and digital processes interact within a company. Among other things, you'll learn to:

- + Collect, prepare, and analyze data
- + Analyze and optimize business processes
- + Understanding and further developing digital workflows
- + Working with modern analysis and evaluation tools

[Video Application](#)

- + Developing solutions in collaboration with various departments
- + Contributing to exciting digital transformation projects

What You Bring to the Team

- + Secondary school leaving certificate or university entrance qualification
- + Good performance in mathematics, German and English
- + Very good PC skills and interest in new information technologies
- + Interest in and understanding of (IT) technical and business processes and interrelationships
- + Ability to communicate and work in a team
- + Very good knowledge of German and good written and spoken English

What you can expect from us

- + **Uncomplicated interaction** with each other and a wide range of opportunities to contribute your own ideas.
- + Your **chances of being hired are very good** once you've completed your training.
- + Our **more than 40 employed trainees** and integrated degree students will simplify the start to your career life and are always available to answer any questions you may have.
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + In addition to your work, you also have the opportunity to experience **exciting trainee events** and projects.
- + Our **company fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + The **ELA Corporate Benefits** portal gives you attractive discount offers from over 1,500 brands from all relevant areas of life.
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office.
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows.

How You can apply

Information on the application process

- + If you apply for an apprenticeship or dual study programme with us, you will receive feedback from us by email in the month of your application, at the latest within four weeks. This will inform you whether we will invite you to an initial personal meeting.
- + This meeting usually takes the form of a one-to-one interview at our head office in Haren (Ems). You will also receive more detailed information about training at ELA.

It's so easy to apply

The best way to apply is to send your documents directly via our career portal at <https://career.ela-container.com/> or by email to career@ela-container.com. Please include your CV and the most important certificates and qualifications. We are also interested in what makes you special, why we are a good fit and how you became aware of us. A

personal interview is the best way for us to get to know each other.

We look forward to hearing from you!
