

Operations Manager (m/f/x)

Location: Frankenberg

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

As a **Operations Manager (m/f/x)**, you will take the helm at our production site in **Frankenberg**. You will develop new strategies, manage production and logistics processes and utilise lean management methods to continuously increase efficiency and quality. You are not only a manager, but also a motivator for your team. With your eye for the big picture, you will take responsibility for budgets, optimise costs and ensure smooth cooperation both internally and externally. Are you ready to set standards with us? Then apply now!

Your Future Role

- + Development and implementation of strategies to further develop the site and achieve the company's goals
- + Responsibility for the entire production and logistics process at the site, including planning, control and continuous improvement
- + KPI-based management of production and logistics processes to increase efficiency and quality as well as monitoring all production-relevant key figures
- + Budget and cost centre responsibility as well as active cost optimisation
Further development and implementation of lean management methods for continuous process optimisation
- + Management, motivation and development of the site team
- + Ensuring cooperation with neighbouring areas such as Central Order
- + Management and Facility Management as well as establishing and maintaining relationships with external service providers and authorities
- + Regular reporting to the management and coordination with other locations

What You Bring to the Team

- + Completed business or technical studies (e.g. industrial engineering, civil engineering, mechanical engineering), a completed technician/master's degree or a comparable qualification with a clear focus on a manufacturing environment
- + Several years of experience in a leading position in production or operational management, ideally in a medium-sized or industrial company
- + Proven success in managing and optimising production processes and in leading and developing teams
- + Sound knowledge of lean management methods and practical experience in process optimisation
- + Confident handling of financial key figures and KPIs as well as strong analytical skills
- + Confident handling of common management tools and ERP systems (e.g. NAV, SAP)
- + Hands-on mentality and a high level of problem-solving skills
- + Fluency in German and English and willingness to travel

What you can expect from us

- + We want to offer you long-term prospects - that's why you will receive a permanent employment contract from us
- + We will organise an extensive induction programme for you at our headquarters in Haren (Ems) so that you can get to know the entire company, our products and our colleagues
- + At ELA, you can expect a varied job in a globally active company, uncomplicated interaction with each other and a wide range of opportunities to contribute your own ideas
- + We will provide you with a company mobile phone (iPhone) that you can also use privately
- + We will provide you with a company car, which you can also use privately
- + We offer you individual development opportunities and interesting skills training courses
- + Our company fitness programme: thousands of gyms, swimming pools, etc. are available to you for just €25 per month throughout Germany, some of which are also available digitally without restrictions
- + We take care of your company pension scheme and offer you capital-forming benefits
- + Corporate benefits: attractive online shopping offers and discount codes from over 1,500 providers from all relevant areas of life

How you can apply

Please send your documents via our career website (www.karriere.container.de/en/) or via email (bewerbung@container.de) including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
