

## Dual Study Programme: Business Administration and Sustainable Management(Bachelor of Arts) 2027

Location: Haren

Working Hours: Work-study program

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you interested in economic relationships, do you enjoy organizing, and would you like to play an active role in shaping companies? Then start your dual degree program in Business Administration and Sustainable Management at ELA.

With us, you'll combine business knowledge with exciting hands-on experience. You'll get to know different areas of the company, work on real projects, and gain insights into sustainable business processes and modern management methods. Does this sound like you? Then we look forward to meeting you!

### Your study at ELA

---

You'll be studying at Osnabrück University of Applied Sciences on the Lingen campus. Theoretical and practical phases alternate in a block schedule, allowing you to apply your knowledge directly here at our company.

During your practical phases, you'll gain insight into various departments and help us further develop business processes and help shape sustainable solutions for day-to-day operations.

#### Among other things, you can expect:

- + Insights into marketing, purchasing, sales, and accounting
- + Collaboration on exciting projects across various departments
- + Analysis and optimization of business processes
- + Collaboration with different teams and business units
- + Support in implementing sustainable management and business processes

## Here's what else you should know:

Location: Osnabrück University of Applied Sciences – Lingen Campus

Standard duration of study: 3 years (6 semesters)

Lectures in a block schedule format

Bachelor's thesis on a practical topic from our company

Your advantage at ELA

In addition to your studies, you'll have the opportunity to complete an IHK apprenticeship—for example, as an industrial clerk (m/f/x).

## What You Bring to the Team

---

- + General or subject-linked higher education entrance qualification
- + Good grades in mathematics, German and English
- + Commitment and interest in commercial activities
- + Enjoy working in a team and the ability to work independently
- + Communication and organisational skills
- + Very good knowledge of German and good written and spoken English

## What you can expect from us

---

- + **Uncomplicated interaction** with each other and a wide range of opportunities to contribute your own ideas.
- + Our **more than 40 employed trainees** and integrated degree students will simplify the start to your career life and are always available to answer any questions you may have.
- + Your **chances of being hired are very good** once you've completed your training.
- + In addition to your work, you also have the opportunity to experience **exciting trainee** events and projects.
- + Our **company fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access.
- + The **ELA Corporate Benefits** portal gives you attractive discount offers from over 1,500 brands from all relevant areas of life.
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office.
- + We offer you **fresh fruit and beverages** every day.
- + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows

## How You can apply

---

Apply easily through our applicant portal. Simply upload your resume and your two most recent school transcripts there. It's important to us that you don't have to wait long for a response. That's why you'll usually receive a personal response from us within a week. You can find more information about the application process on our careers page.

We look forward to hearing from you!
