

Apprenticeship as IT Specialist for Data and Process Analysis 2027 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Data, processes, and smart solutions—is this right up your alley? During your apprenticeship as an IT Specialist for Data and Process Analysis (m/f/x), you'll dive deep into the world of IT, analyze workflows, and develop solutions that make processes more efficient. You'll work on real-world projects, take on responsibility early on, and grow into your role step by step.

Are you interested in exciting IT topics, real opportunities for growth, and a strong team? Then ELA Container is the perfect place for you!

Your apprenticeship at ELA

Our IT team consists of about 50 employees. You will work on IT tasks and projects together with your colleagues. During your 3-year apprenticeship, you will get to know various areas of IT, such as IT helpdesk, IT data management or Enterprise Architecture management.

Are data and numbers your profession? During your training, you will learn how to logically prepare and process data in order to simplify work processes in the company in the future. You will work very closely with the controlling and process management departments.
