

OT Security Specialist (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Want to do more than just warn others? Then join us as an **OT Security Specialist (m/f/x)** and help develop our security strategy, drive hardening forward and guide specialist departments through pentests, vulnerability analyses and fixes. With your expertise, you will take our security strategy to the next level.

Sounds exciting? Then ELA Container is the right place for you! Here you will find exciting tasks, real development opportunities and a strong team with a relaxed culture.

Your Future Role

- + Active development and implementation of our information security strategy
- + Support in hardening systems
- + Support and advice for specialist departments on issues relating to IT and OT system security and the implementation of security guidelines and compliance with legal requirements
- + Development of proposals for preventive and reactive measures with regard to security incidents
- + Support for specialist departments in the implementation of security checks (penetration tests and vulnerability analysis) and the rectification of any findings resulting from these

What You Bring to the Team

- + Completed training in computer science for system integration, a degree with a focus on computer science/IT security or a comparable qualification
- + Initial experience in the field of IT security as an IT Security Consultant, Cyber Security Specialist or Security Analyst (m/f/x), or initial exposure to OT security solutions is

required

- + In-depth knowledge of IT and OT security solutions, such as vulnerability scanners, endpoint protection, firewalls, SIEM and monitoring tools
- + Very good written and spoken German and English skills

What you can expect from us

- + We want to offer you long-term prospects – that's why we offer you a **permanent employment contract**.
- + You have the option of **working from home up to 60%** of the week.
- + We organise an **extensive induction programme** for you at our headquarters in Haren (Ems) so that you can get to know the entire company, our products and our colleagues.
- + We offer you company **health insurance**.
- + We offer you an attractive **bike leasing scheme**.
- + At ELA, you can also expect a varied job in a global company, an uncomplicated working environment and plenty of opportunities to contribute your own ideas.
- + Our **company restaurant** provides you with fresh and delicious lunch dishes every day.
- + Your health is important to us: that's why we offer **height-adjustable desks** in every office.
- + Network at our regular **employee events**.
- + We offer you **individual development opportunities** and interesting skills training.
- + The ELA **Corporate Benefits** portal gives you access to attractive discounts from over 1,500 brands in all relevant areas of life.
- + You don't have to leave your four-legged friend at home. Under certain conditions, you can simply bring your **dog to the office** with you.

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
