

Dual Study Programme: Business Administration and Sustainable Management(Bachelor of Arts) 2026

Location: Haren

Working Hours: Work-study program

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

You are at the beginning of your professional life with your knowledge, talents and wishes. At ELA, you can expect a varied dual study programme where it is important to us that you get to know different areas, because we want to develop you and your strengths. Interested? Then we should get to know each other better.

Your study at ELA

Business administration deals with the planning, organisational and computational decisions in companies. At the Institute for Dual Courses of Study at Osnabrück University of Applied Sciences (Lingen Campus), it is oriented towards all sectors and also takes into account the increasingly international activities of companies, in order to open up a wide range of professional fields of application for you as a graduate. Here you will be prepared for the goal-oriented planning and control of business processes and projects.

You will develop a broad knowledge of the fundamentals of business administration, economics and business law. You can deepen this knowledge in the selectable specialisations. In addition, you will develop skills for working in interdisciplinary teams. You will also learn about management in international contexts through internationally oriented modules.

- + You study at the Osnabrück University of Applied Sciences at the Lingen campus.
- + The standard period of study is three years (six semesters).
- + Your lectures take place in blocks
