

Plant Mechanic (m/f/x)

Location: Pöchlarn

Working Hours: Full-time employee

1,400 employees. 24 locations worldwide. 60,000 containers in circulation. Since our founding in 1972, we have been on a steady growth path. We are specialists in mobile space solutions using container construction. Our family-run company is growing dynamically, which is why we are constantly looking for qualified, friendly, and team-oriented employees in all areas worldwide.

We are currently looking for a **plant mechanic (m/f/x)** for our production in Pöchlarn !

Austria, one of our emerging markets with great potential, is currently undergoing development, and we are looking for colleagues who would like to contribute to our journey there. Our production site is currently under construction, so we are looking for team players who are interested in working with us to establish container production in Austria.

You're a person with your individual profile, qualifications, talents and wishes. But we are not like any other company. We offer exciting jobs, opportunities for your further development and an easy going working atmosphere. Interested? Then we should get to know each other better.

Your Future Role

- + Installation, repair, and inspection of sanitary facilities, air conditioning units, and heating systems in our containers
- + Performing functional tests and commissioning of the systems, as well as maintenance and service work as required
- + Ensuring clean, efficient, and standard-compliant installation
- + Supporting colleagues with any modifications to our containers
- + Supporting the maintenance of the hall and rental space
