

Mechatronics Engineer specialising in Refrigeration Technology (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you want to do more than just find faults – do you want to assemble state-of-the-art systems yourself, install new equipment and commission it professionally? Then you've come to the right place! We're looking for a **Mechatronics Technician specialising in Refrigeration Technology** (m/f/x) who loves technology, takes on responsibility and enjoys seeing what they've achieved at the end of the day.

You can look forward to a varied range of tasks involving the assembly, installation, commissioning, maintenance and repair of refrigeration and air-conditioning systems – with state-of-the-art equipment, a strong team and genuine appreciation.

Best of all: we don't have any on-call or emergency duties.

Your responsibilities

- + Installation, repair and inspection of split-system air-conditioning units in our containers
- + Performing functional tests and commissioning of systems, as well as maintenance and service work as required
- + Ensuring clean, efficient, and standard-compliant installation

Your skills

- + Completed vocational training as a HVAC systems mechanic, ventilation engineer, mechatronics technician specialising in refrigeration and air-conditioning (m/f/x) or equivalent qualification
- + Knowledge of refrigeration and air-conditioning technology
- + Refrigeration certificate is essential

- + Experience in the installation and maintenance of relevant systems

What you can expect from us

- + We want to offer you long-term prospects – that's why we offer you a permanent employment contract.
- + You can expect flat hierarchies and short decision-making processes.
- + We work in a single-shift system.
- + If you ever have to work overtime, you will of course be paid for it.
- + To keep you healthy and fit, we offer you various regular health promotions.
- + We will provide you with high-quality work clothing for your activities with us.
- + Our company fitness offer: Thousands of gyms, swimming pools, etc. are available to you for only €30 per month throughout Germany and, in some cases, also digitally without restriction.
- + We take care of your company pension plan and offer you capital-forming benefits.
- + Time for family! We don't work on Saturdays or Sundays
- + Corporate benefits: attractive online shopping offers and discount codes from over 1,500 providers in all relevant areas of life.
- + We offer you company health insurance
- + Our company cafeteria serves fresh and delicious lunch options every day

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
