

Quality Inspector (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We are currently looking for an employee in the area of **quality assurance** (m/f/x).

Are you ready to set **standards**? Contribute your expertise in **quality control** and **process monitoring** and make a lasting impact on our quality assurance!

You are a person with your own personal profile of qualifications, talents and desires. And we are not like any other company. We offer exciting tasks, opportunities for further development and a relaxed, friendly culture. Interested? Then we should get to know each other better.

Your Future Role

+

Quality control: carrying out inspections and tests to ensure compliance with quality standards in production and services.

+ Monitoring production processes, identifying and analyzing deviations and errors, and checking effectiveness control

+ Creation and maintenance of quality documentation, test reports and deviation reports

+ **Complaint management:** Based on the metrological tests, creating complaints in coordination with supplier management and recording the test results

+ Carrying out final inspections and container audits and identifying potential for optimization

+ Conducting training courses for employees on quality assurance and supporting the production departments in complying with quality standards.

What You Bring to the Team

- + Successfully completed vocational or technical training, e.g. as a carpenter, precision mechanic, metalworker, technical system planner (m/f/x), advanced training in quality management or a comparable qualification
- + Several years of experience in quality assurance, e.g. as a quality inspector, quality auditor or quality controller (m/f/x), ideally in a manufacturing company
- + Sound knowledge of quality management methods, test procedures and standards ISO 9001, ISO 50001 and others if applicable
- + Confident handling of quality management software and Microsoft Office applications
- + Confident written and spoken German and English skills

What you can expect from us

- + We want to offer you long-term prospects - that's why you will receive a permanent employment contract from us
- + We will organize an extensive induction programme for you so that you can get to know the entire company, our products and our colleagues
- + We offer you fresh fruit and drinks every day
- + You benefit from our cooperation with the company fitness provider qualitrain - training in numerous facilities throughout Germany
- + We offer you individual development opportunities and interesting skills training courses
- + We take care of your company pension scheme and offer you capital-forming benefits
- + At ELA, you can expect a varied job in a globally active company, uncomplicated interaction with each other and a wide range of opportunities to contribute your own ideas
- + You will receive attractive discount offers from strong brands from all relevant areas of life in the ELA Corporate Benefits portal
- + Network at our regular employee events
- + Our company restaurant provides you with fresh and delicious lunch dishes every day
- + You can expect flat hierarchies and short decision-making paths with us
- + We offer you support with emergency childcare

How you can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
