

## Technical Drafter (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you passionate about technical drawings and modular construction concepts? At ELA Container, you will create precise floor plans based on our standard container system and ensure that all plans are implemented in compliance with our standards, on time, and in accordance with applicable regulations. The position is initially limited to one year.

Bring your unique skills and talents – with us, you can look forward to exciting projects, opportunities for growth, and a relaxed “Moin” culture. Sound like your next career move? Then we should definitely meet!

### Your tasks

---

- + Creation and editing of floor plans for offers and orders based on standard container solutions
- + Combination of predefined modules into project-specific layouts
- + Use of CAD software to maintain plans and documentation
- + Coordination of floor plans and technical specifications with other departments
- + Ensuring compliance with internal standards, module rules, and relevant regulations
