Technical Project Buyer - ELA Container Offshore (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you love getting the best out of negotiations and have a knack for strategic purchasing? Then you've come to the right place!

We are looking for you as a purchasing expert (m/f/d) who sets the course for our success with clever strategies, smart supplier management and negotiating skills. Whether tenders, framework agreements or cost optimisation - here you can shape, decide and take off independently.

Further information about the company can be found below in the advertisement or under the following link <https://www.ela-offshore.com/de>.

Your Future Role

- + Coordination of strategic purchasing requirements, supplier evaluations and supplier management
- + Independent development of measures to achieve the set cost, quality and delivery targets while adhering to the purchasing budget
- + Implementation and organisation of tenders for various product groups
- + Independently conducting negotiations in a national and international environment
- + Conclusion of supply and framework agreements
- + Coordination with neighbouring interfaces such as production, construction, project management, etc.
