

SAP Junior Inhouse Consultant SD (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you want to immerse yourself in the world of SAP and develop within this framework? Then you've come to the right place.

We are currently looking for an SAP Junior In-house Consultant (m/f/d) for the SD module. Be part of the SAP implementation at ELA and play an active role in the greenfield migration. Develop your professional and personal skills and become a true SAP expert (m/f/d) with us. Our senior consultants (m/f/d) will support and encourage you in your professional development. Does this sound like the perfect challenge for you? Then apply now and become part of our SAP success story!

Your Future Role

- + Active participation in the greenfield migration as part of the SAP implementation, support and further development of the SAP module SAP SD
- + Continuous professional & personal development in the SAP environment
- + Insights into customising settings in SAP SD and independent takeover of this later on
- + Assumption of sub-project tasks within the scope of SAP logistics projects and new customer implementations
- + 2nd level support of key users at the various locations of the ELA group
- + Coordination and cooperation with our SAP service providers

What You Bring to the Team

- + Completed studies in (business) informatics or business administration, alternatively corresponding knowledge through practical work experience in IT, e.g. as an IT

specialist (m/f/x)

- + Basic knowledge of the SAP Sales & Distribution module required, e.g. through internships or working student activities
- + SAP ABAP programming knowledge desirable, but not mandatory
- + Structured, independent way of working and organisational talent
- + Strong teamwork and communication skills
- + High degree of reliability and analytical thinking skills
- + Very good written and spoken German and English skills
- + Willingness to travel for participation in regular project-related team meetings & workshops at the headquarters in Haren (Ems): currently every fortnight from Tuesday to Thursday

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a permanent contract.
- + We offer you individual development opportunities, interesting skills training and participation in our management training program
- + We offer you flexible working hours and the opportunity to work flextime
- + You have the option to work up to 100% of your week from home
- + Our company restaurant serves up fresh, delicious lunches on a daily basis
- + We organize an extensive onboarding program for you at our headquarters in Haren (Ems), so that you can get to know the entire company, our products, and our employees
- + Expand your network at our regular employee events
- + We want you to be optimistic about the future, which is why we support you with our company retirement plans and capital-forming benefits for your financial security.
- + Our company fitness program: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + Bike-Leasing: We offer you an attractive bike leasing package
- + There's no need to part ways with your four-legged friend at ELA, as you can simply bring your dog with you into the office if the situation allows.
- + Your health matters to us, which is why we offer you height-adjustable desks in every office
