

Technical Drafter - ELA Container Offshore (m/f/x)

Location: Haren
Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you comfortable working with CAD systems and do you enjoy working with precision? In this role, you'll ensure that ideas are turned into robust technical solutions. You can look forward to exciting projects, modern design tools and a strong team.

We are currently looking for a CAD Designer (m/f/x) for ELA Container Offshore GmbH – a company within the ELA Group. You can find further information about the company via the following link: https://www.ela-offshore.com/de.

Your Future Role

Apply Online

Video Application

- Creating and editing floor plans for quotations and orders based on standard container solutions
- Combining predefined modules to create project-specific layouts
- Using CAD software to maintain plans and documentation
- Managing drawings, including version control and plan approvals
- Coordination of floor plans and technical specifications with specialist departments
- Ensuring compliance with internal standards, module rules and relevant standards

What You bring to the Team

- Training as a technical draughtsman, technical systems planner, architectural draughtsman (m/f/x) or equivalent

- Several years’ experience in technical drawing, ideally in modular or industrial construction
- Proficiency in CAD software, e.g. AutoCAD, Inventor or comparable programmes
- Understanding of floor plan logic, measurement systems and modular construction principles
- Structured and precise working style
- Technical understanding and ability to work as part of a team

What you can expect from us

- You will have flexible working hours and work flexible time
- We want to offer you long-term prospects, which is why you will receive a permanent employment contract from us
- Our company restaurant provides you with a fresh breakfast every day and delicious lunch options Monday through Thursday
- We offer you individual development opportunities and interesting skills training courses
- Our company fitness programme: thousands of gyms, swimming pools, etc. are available to you throughout Germany and, in some cases, digitally, for only £30 per month
- You can expect flat hierarchies and short decision-making processes
- We take care of your company pension scheme and offer you capital-forming benefits
- You will receive attractive discount offers from over 1,500 brands in all relevant areas of life on the ELA Corporate Benefits portal
- Network at our regular employee events
- At ELA, you can expect a varied job in a global company, an uncomplicated working environment and a wide range of opportunities to contribute your own ideas
- We offer you company health insurance
- We offer you an attractive bike leasing scheme

How You can apply

You can easily submit your application via our careers portal at https://career.ela-container.com. Please send us your CV along with any relevant certificates and qualifications, and feel free to tell us briefly what makes you stand out and why you’d like to join us. Please also let us know your notice period and your salary expectations.
