CAD-Constructor - ELA Container Offshore (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you love developing technical solutions and turning ideas into working designs? With us, you will work on systems, assemblies and prototypes – always with a practical focus. With your CAD expertise, you will play an active role in shaping innovations. Sound exciting?

We are currently looking for a CAD Designer (m/f/x) for ELA Container Offshore GmbH – a company within the ELA Group. You can find further information about the company via the following link: <https://www.ela-offshore.com/de>.

Your Future Role

- + Design and layout of systems
- + 3D modelling and derivation of production-ready technical CAD drawings
- + Supporting production processes during the prototyping phase
- + Maintenance and further development of assemblies
- + Technical clarifications with internal specialist departments to develop solutions
