

Operational Project Manager Billigheim (m/f/x)

Location: Billigheim

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We are currently looking for an **Operational Project Manager** (m/f/x).

Do you want to actively help shape challenging projects and enjoy taking on responsibility? In our Operational Projects department, you will accompany technical construction projects from A to Z: you will coordinate the construction site, provide support with planning, calculate building services, oversee the awarding processes and also be the contact person for our customers during the warranty period - always with an eye on quality, deadlines and budget.

You bring your own personal mix of experience, motivation and ideas - and that's exactly what we value. Because we are not like any other company: With us, you can expect exciting tasks, real development opportunities and an open 'Moin culture' in which we work together as equals.

Sounds like your next step? Then we look forward to getting to know you.

Your Future Role

- + Technical project management and site supervision of complex construction projects
- + Early involvement from customer inquiry, including technical design and proposal preparation
- + Overall responsibility for planning, coordination, and execution through to project handover
- + Acting as an interface between internal departments, subcontractors, and external partners
- + Participation in the planning phase, preparation of specifications, and procurement processes
- + Support during client meetings and project follow-up during the warranty period

[Apply Online](#)

[Video Application](#)

- + Ensuring quality, adherence to deadlines, and budget compliance throughout all project phases

What You Bring to the Team

- + A degree or advanced training as a technician or master craftsman (m/f/d) in a technical field, or comparable training
- + Several years of professional experience in the planning and execution of projects in plant engineering or project management, as well as in-depth technical knowledge of the construction industry
- + Knowledge of relevant DIN standards
- + Proficiency in computer applications, particularly CAD, Windows programs, and Microsoft Dynamics
- + Ability to work in a team, willingness to engage in interdisciplinary work, and willingness to travel

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**.
- + You have the option to **work up to 60% of your week from home**
- + We offer you **flexible working hours** and the opportunity to work flextime
- + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
- + We offer you **fresh fruit and beverages** every day
- + With us, you can expect **flat hierarchies** and short decision-making processes
- + Our **company fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
- + We'd like for you to continue developing, which is why we support your **personal development** with a tailored range of options.
- + The **ELA Corporate Benefits** portal offers attractive discounts on more than 1,500 brands from all relevant areas of life
- + Your health matters to us, which is why we offer you **height-adjustable desks** in every office

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
