

Data Engineer (m/f/x)

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Do you want to do more than just manage data – do you want to lay the foundations for smart decisions? Then develop modern data platforms, optimise ETL processes and design high-performance data solutions that deliver real added value. Does that sound like the challenge you're looking for? If so, we look forward to getting to know you!

Your Future Role

- + Design and implementation of data pipelines based on Azure Synapse and Microsoft Fabric
- + Development and maintenance of data models for analytical and operational applications
- + Management of databases and data lakes to ensure data quality and security
- + Close collaboration with data scientists, analysts and other departments to develop data-driven solutions
- + Monitoring and optimisation of the data infrastructure to ensure efficient data processing and storage

[Apply Online](#)[Video Application](#)

Your skills

- + A degree in (Business) Computer Science, an apprenticeship as an IT specialist in application development, data and process analysis, or a similar qualification
- + Professional experience in the field of data engineering, ideally with knowledge of big data technologies
- + In-depth knowledge of database management, ETL processes and data modelling
- + In-depth knowledge of Azure Synapse and/or Microsoft Fabric

- + Programming skills in languages such as SQL, Python or Java
- + Very good written and spoken German and English

What you can expect from us

- + We offer you a permanent contract
- + With us, you'll enjoy flexible working hours, work on a flexitime basis and have the option to work from home for up to 60% of the week
- + Our company restaurant provides you with a fresh breakfast every day and delicious lunch options Monday through Thursday
- + We offer you company health insurance
- + We offer you an attractive bike leasing scheme
- + To help you stay healthy and fit, we regularly organise various health initiatives and offer massage appointments
- + You'll benefit from our corporate fitness scheme: thousands of gyms, swimming pools and more across Germany are available to you with unlimited access for just €30 a month
- + We offer you personalised career development opportunities and interesting skills training
- + We take care of your company pension scheme and offer you capital-forming benefits
- + You don't have to leave your four-legged friend behind when you work with us. Under certain conditions, you can simply bring your dog into the office.
- + On the ELA Corporate Benefits portal, you'll find attractive discount offers from over 1,500 brands across all relevant areas of life.
- + At ELA, you can also look forward to a varied role within a global company, a friendly working atmosphere and plenty of opportunities to contribute your own ideas

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
