

## Working Student Sustainability – Remote (m/f/x)

Location: Haren

Working Hours: Student intern

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

### **Is sustainability more than just a buzzword to you? Then you're exactly who we're looking for.**

At our company, ESG is not a trend—it's firmly embedded in our strategy and a key driver of our business decisions.

Our sustainability department is growing and evolving dynamically. In an environment shaped by constantly changing markets and increasing national and international ESG requirements, we actively develop sustainable solutions with real impact.

### **Do you want to do more than just contribute—do you want to shape the future?**

With us, you'll have the freedom to take on responsibility, bring in your own ideas, and actively help drive the sustainable future of our company.

## Your Future Role

---

- + Support the development and implementation of sustainability strategies
- + Contribute to internal sustainability projects (e.g. climate strategy, reporting)
- + Analyze and prepare ESG-related data (e.g. CO<sub>2</sub> emissions, resources, supply chains)
- + Research current ESG topics and trends
- + Prepare presentations and support reporting activities
- + Assist with day-to-day tasks and ad hoc requests
