

Alternative Practitioner (m/f/x)

Location: Baccum

Working Hours: Part-time employee

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

For **Ems Vital** – a company belonging to the ELA Group – we are currently looking for a alternative practitioner (m/f/x) in Baccum (Lingen Ems).

Would you like to provide holistic support to people and bring about real change with modern naturopathy?
Do you enjoy conducting in-depth medical histories, using modern diagnostic methods and creating individual therapy and health concepts?

Your Future Role

- + Conducting medical histories and naturopathic diagnostics (e.g. Plasmaprint®, DFX® blood count, range value scan, bioresonance)
- + Developing individually tailored therapy plans in close consultation with the institute management
- + Application of naturopathic therapy methods (e.g. acupuncture, homeopathy, Bach flower remedies, phytotherapy, Ayurvedic treatments)
- + Holistic care of patients with chronic illnesses and in prevention (check-ups, vital checks, health coaching)
- + Interdisciplinary collaboration with our nutrition, detox body, medical wellness and fasting programmes (e.g. alkaline days, Buchinger therapeutic fasting, focus days)
- + Active participation in the design and further development of our naturopathic services

What You Bring to the Team

- + Completed medical examination as a naturopath (full naturopathic licence)
- + Initial professional experience in a naturopathic practice or health centre
- + Interest or experience in the treatment of chronic degenerative diseases and preventive medicine
- + Enthusiasm for evidence-based naturopathy and openness to modern technical diagnostics
- + Confident IT skills, e.g. in practice software (Simplimed), digital documentation and common Office programmes (MS Office)
- + Structured, reliable and independent way of working
- + Empathetic, patient-oriented personality
- + Willingness to engage in continuous professional development and participate in internal training courses
- + Ability to work in a team and desire to work in an interdisciplinary environment

What you can expect from us

- + We want to offer you long-term prospects – that's why we give you a **permanent employment contract**
- + To keep you healthy and fit, we offer **regular health initiatives**
- + You can expect varied work in an **uncomplicated working environment** and plenty of opportunities to **contribute your own ideas**
- + If you ever have to **work overtime**, you will of course be **paid** for it
- + **Time for your family!** We do not require our employees to work on Saturdays or Sundays

How You can apply

Please send your documents via our career website <https://career.ela-container.com> or via email career@ela-container.com including your CV, your essential certificates and qualifications, as well as a few lines about yourself and why we fit. We would then like to meet and have a personal conversation with you. We look forward to hear from you!
