

Senior Full Stack Developer (m/f/x) - remote possible

Location: Haren

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

We are currently looking for a Senior Full Stack Developer (m/f/x) to join our software development team. There is the option to work remotely or on a hybrid basis.

Do you want to do more than just write code – do you want to make a real difference? With us, you'll develop modern web applications and take CMS solutions such as Payload to the next level. You'll work in an agile environment, think customer-focused and take on responsibility – including in the DevOps area. Sound like your kind of thing? Then apply and become part of our six-person development team.

Your Future Role

- + Design and development of complex web and desktop applications, with a focus on the implementation and scaling of headless systems (Payload CMS) and modern TypeScript architectures
- + Agile software development to support project objectives (using a dynamic and customer-centric approach)
- + Management and supervision of external partners in the field of software development
- + Implementation and integration of new software with existing systems
- + Taking on DevOps responsibilities

What You Bring to the Team

- + A successfully completed degree in Computer Science, Business Informatics, a qualification as an IT Specialist in Application Development (m/f/d) or equivalent qualifications
- + At least three years' professional experience in digitalisation, technology development or as a software engineer is desirable

- + Experience working with various programming languages and frameworks such as React, Next.js, JavaScript and Node.js, or equivalent knowledge
- + Residing near 49733 Haren (Ems) to be able to meet the team regularly on site
- + Very good written and spoken German (minimum C1 level) and English

What you can expect from us

- + Once ELA, always ELA. When you join our company, we want you to be a key member of the team, which is why we'll offer you a **permanent contract**.
 - + We offer you **individual development opportunities**, interesting skills training and participation in our management training program
 - + We offer you **flexible working hours** and the opportunity to work flextime
 - + You have the option to work **up to 100% of your week from home**
 - + Our **company restaurant** serves up fresh, delicious lunches on a daily basis
 - + We organize an **extensive onboarding program** for you at our headquarters in Haren (Ems), so that you can get to know the entire company, our products, and our employees
 - + Expand your network at our regular **employee events**
 - + We want you to be optimistic about the future, which is why we support you with our company **retirement plans and capital-forming benefits** for your financial security.
-
- + Our company **fitness program**: for just €30 a month, you can have access to thousands of gyms, swimming pools, and more throughout Germany, including unrestricted digital access
 - + **Corporate benefits**: attractive online shopping offers and discount codes from over 1,500 providers from all relevant areas of life
 - + There's no need to part ways with your four-legged friend at ELA, as you can simply **bring your dog with you** into the office if the situation allows.
 - + Your health matters to us, which is why we offer you **height-adjustable desks** in every office
