

Plant mechanic for sanitary, heating and air conditioning technology (m/w/f)

Location: Tönisvorst

Working Hours: Full-time employee

1,600 employees in 18 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

Are you a plant mechanic specializing (m/f/x) in plumbing, heating, and air conditioning (m/f/d) looking for more than just traditional construction sites? With us, you'll install modern plumbing, heating, and air conditioning systems in containers and get the technology up and running. From installation to commissioning, everything is in your hands.

Sound exciting? Then ELA Container is the perfect place for you! Here you'll find exciting challenges, real opportunities for growth, and a strong team with a laid-back, friendly atmosphere
