

## Apprenticeship as an IT specialist for system integration 2026 (m/f/x)

Location: Haren

Working Hours: Apprenticeship

1,400 employees in 24 locations around the world with a fleet of 60,000+ circulating containers. Since ELA's establishment in 1972, our business has continuously been expanding, we are specialists in mobile room solutions. Our family-run company based in Haren (Ems), Germany, is growing at a fast pace and we are actively looking for qualified and dedicated team players to join us locally, internationally and beyond.

You are at the beginning of your professional life with your knowledge, talents and wishes. At ELA, you will receive varied apprenticeship in which it is important to us that you get to know different areas, because we want to develop you and your strengths. Are you interested? Then we should get to know each other better.

### Your apprenticeship at ELA

---

Our IT team consists of about 50 employees. You will work on IT tasks and projects together with your colleagues. During your 3-year apprenticeship, you will get to know various areas of IT, such as IT helpdesk, IT infrastructure, IT Service Operations or IT security.

IT specialists specialising in system integration plan and configure IT systems. As a service provider in your own company or at the customer's, you set up these systems according to customer requirements and operate or manage them. This also includes systematically isolating and rectifying faults when they occur, using expert and diagnostic systems. You advise internal and external users on the selection and use of equipment and solve application and system problems. In addition, you create system documentation and conduct training for users.
